

In order for Journey Christian Church to continue to grow, we must allow room for growth in our existing facility, as well as plan to make room for new growth as God expands His kingdom in Wayne America. We must be faithful to use His resources to do whatever is necessary to help build His kingdom. Our church has launched a Capital Stewardship Campaign entitled Building Faith, Shaping Generations to aid us in preparing to do what only God can do. With the construction of a facility that will reach many people, we will have the space to move forward “impacting Wayne County and beyond...so that God will be praised”!

The following pages include many frequently asked questions and their corresponding answers. This information should help us gain a better understanding of the facts and help us prepare for the coming weeks as God prepares us to fulfill His purpose.

Wayne, NE 68787

Journey Christian Church

FREQUENTLY ASKED QUESTIONS

What are we building?

We are building a new ministry wing and remodeling the original building.

Why are we building it?

Our recent growth has made much of our ministry space for our children's, youth, college, and adult ministries inadequate. The new ministry wing and changes to the existing building will allow for continued growth in these ministries.

When will we occupy the new facility?

Completion of the project should be done sometime in the summer of 2012.

How much will the new facility cost?

The projected cost for the construction, remodeling, furnishings, and additional paved parking is \$1.5 million.

How will we pay for it?

We will use the existing building fund with the balance being borrowed from a bank and paid off through a combination of donations made through the Capital Stewardship Campaign and funds allotted in our church budget.

What is a Capital Stewardship Campaign?

A Capital Stewardship Campaign is a church project that seeks pledged donations from people within the congregation to be used in paying for a major construction project.

How much money are we hoping to raise through the Capital Stewardship Campaign?

We should be able to raise between 3-4 times more than our annual budget, but obviously we are praying that God will provide the full amount of the cost of the project.

Will I be pressured to make a pledge?

No. Participation in the campaign and how much you give will be entirely between you and God. All members and guests will be given the opportunity to contribute if they wish to do so.

How may I prepare to participate?

Pray, asking God to speak to your heart about your commitment. You may also read Scripture that speaks about stewardship and giving, such as 1 Corinthians 16:2; Proverbs 11:25; Proverbs 3:5-9; 2 Corinthians 8:1-7; Acts 20:35; Luke 6:38; and Psalm 116:12.

How long will my commitment be?

You are asked to make a 3-year commitment.

If I can't give a large amount, does my pledge really matter?

Absolutely! All pledges matter, regardless of amount, because as we all participate according to our ability, God multiplies our giving. The saying is true: Not equal gifts, but equal sacrifice.

When are we expected to give the amount pledged?

Commitment cards will be turned in Commitment Sunday, May 1, and pledges will begin to be received shortly thereafter.

What forms of contribution will be accepted?

Contributions can be made by cash or check. Other forms of contributions can include the transference of title to marketable stocks, bonds, real estate, etc.

May I update my commitment after Celebration Sunday?

Yes. You may update your commitment at any time.

Do you have to be a church member to participate in the campaign?

No. Participating in the campaign is a personal decision for each of us, and anyone may contribute to God's work in our church.
